

City of Winnfield

Below is a link and a QR Code that can go on your website or in your email attachments etc.

This link will take the customer to a contact details page. Once they fill out and submit the information they will be added to a customer contact database for The City of Winnfield.

This will allow you to send out broadcast messages to all customers at once, via your MEFTii admin portal.

The City of Winnfield link & QR Code –
